BNY Mellon Wins *HFMWeek* Best Single Manager Administrator Award

NEW YORK, October 28, 2009 – BNY Mellon announced that its Alternative Investment Services (AIS) group has received the 'best single manager administrator' award from *HFMWeek*. BNY Mellon was one of eight industry-leading companies to be nominated for the honor as part of *HFMWeek's* 2009 U.S. Service Provider Awards, which were presented in New York on October 22.

HFMWeek's U.S. Service Provider Awards are designed to recognize companies that have outperformed their peer group over the course of 2008 and 2009. BNY Mellon AIS captured the best single manager administrator award as a result of its robust technology platform, range of value-added fund services, and overall client service excellence.

"BNY Mellon stood out in this category; a truly global administrator which has increased its market share and boasts substantial single manager assets," said *HFMWeek's* panel of judges.

"Recognition like this is noteworthy because it validates and reinforces our commitment to clients and the investments we're making to better serve them," said Brian Ruane, executive vice president and head of global client management North America at BNY Mellon. "It also speaks to the talent and collaboration of our global team to receive this honor from *HFMWeek*."

BNY Mellon Alternative Investment Services is a leading hedge fund administrator with more than \$200 billion in assets under administration and an extensive global presence, including locations in Bermuda, Cayman Islands, Hong Kong, Ireland, Luxembourg, Singapore and the United Kingdom, as well as US offices in California, Florida, Massachusetts, New Jersey, New York, Pennsylvania and Texas. In addition to administration the company offers a wide range of accounting, cash management, collateral management, custody, corporate trust, asset management and wealth management services to the hedge fund industry.

BNY Mellon is the corporate brand of The Bank of New York Mellon Corporation. BNY Mellon is a global financial services company focused on helping clients manage and service their financial assets, operating in 34 countries and serving more than 100 markets. The company is a leading provider of financial services for institutions, corporations and high-net-worth individuals, providing superior asset management and wealth management, asset servicing, issuer services, clearing services and treasury services through a worldwide client-focused team. It has \$22.1 trillion in assets under custody and administration and \$966 billion in assets under management, services \$11.9 trillion in outstanding debt and processes global payments averaging \$1.6 trillion per day.
